

Client Solutions

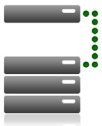

At Now Micro, our goal is to ensure your IT investment through extensive computer service offerings that are customized to the specific needs of your organization. Working closely with our technology partners, we offer a range of services to keep your technology in top form.

CONSULTATION

Our IT professionals go through training and certification to provide you with the peace of mind that your technology investment is a wise one. Consultation services include:

- Pre-Sales Support
- Solution & Service Consulting
- Dedicated Sales Support
- Online Ordering

INTEGRATION

No two organizations are the same when it comes to managing computer systems, which is why we offer customization services:

- Custom Configuration
- Extended Life Cycle Assurance
- Software Imaging
- Asset Tagging
- Application Loading

BREAK FIX

Our certified technicians provide warranty and non-warranty repairs. We offer quick turnaround time on all repairs with pick-up and drop-off, as well as on-site options.

INSTALLATION

We offer computer and printer installation services that help you get up and running in no time. We are here to install:

- Desktops & Laptops
- Servers & Storage Systems
- Printers
- Networking & Security

DISPOSAL

Our disposal services offer you an environmentally-friendly way to dispose or recycle old technology. We provide certified and state-approved hard drive wiping or destruction, and we will even offer you credit for any working equipment.

Besides disposal, we also offer green delivery with Rapid Roll & Recovery, our waste-free computer delivery service.
